

DELIVERY SOLUTIONS

Food delivery was a \$43 billion market in 2017.* Delivery is now 22%* of the off-premise market and growing. LBP will help your brand capture revenue by maintaining the integrity of your food and therefore consumer loyalty.

Tamper-Evident

Prevent contamination with tamper evident bags with a sealing strip.

Organization and Accuracy

Corrugated inserts offer compartments for easy, organized food placement.

Food Temperature

Corrugated inserts help insulate for heat retention.

Transport and Presentation Quality

Enable successful transport without damage to packaging, food or beverage.

LBP inserts are engineered to work specifically with our bags. View assembly video at www.youtube.com/watch?v=31SxXbUzZd8 for more information.
